

Hello Folks!👋

About Me

Thanks for your interest, here is a quick story of me and this website.

John Doe An Harward alumnus. He loves to solve programming problems in most efficient ways. He has worked with DE Shaw and Co. as a software developer.

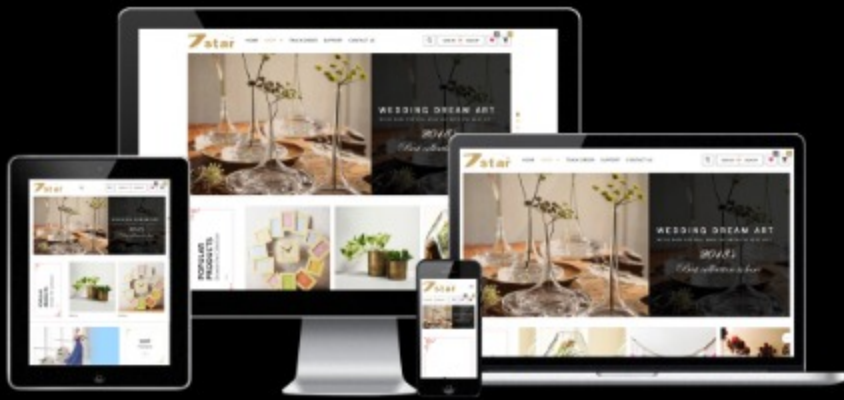

I do my work mainly in C-Language, C++ and JAVA. C++ and Data Structure & Algorithm are my stronger section. Besides these I know Web Development, LINUX and database as well.

This website is basically one of my Web Development project which is built using HTML only.

Cheers,
John Doe
